In & Out of our Prisons & Jails
are a Community Concern.**

Our Problem Then: We knew that most people in need of help obtaining a meaningful job, housing, transportation, food, clothing, etc. usually did not have the tools necessary to find that help. We also knew there were multiple service providers out there that had the ability to help people but they did not know where all of those people were. We also knew there were a few informational sources available, but again, no one knew where to find them. Someone needed to tie all that information together into a central information data base, that everyone in our industry could have access to, from a single source, that was easy to use.

HRH's Solution Now: Utilizing today's best information retrieval technology - *the internet*, HRH is providing a web site for those in need; and for those who work with the homeless, and those either in, or out, of our prison system with an information data base that lists "Faith" and "Community Based" organizations (service providers), and businesses that offer various goods and services. This is a FREE resource tool intended to HELP "Our Helpers" and those persons reaching out for a better way of life for themselves and their families.

HRH's Purpose: Is to provide an Information & Referral Network of services to persons in need and to persons and organizations that are Helping those in need, utilizing: 1) Our All-in-One Web Site; 2) Our Weekly Email Newsletter, and later; 3) A Network of Volunteers, Teachers, Tutors & Mentors (Our Helpers); 5) A Network of Housing & Job Suppliers; and, 6) A Homeless & ReEntry Conference & Training Center.
